Date: September 15, 1959MEMORANDUM FROM THE UNITED STATES DELEGATIONCONCERNINGAN ALPHABETICAL INDEX OF COMMODITIES ON THE INTERNATIONAL LISTS

The Government of the United States has prepared an unofficial index to the International Lists (COCOM Document 3300) covering the items on International Lists I and IV and the Atomic Energy and Munitions Lists as of June 16, 1959. Although prepared by the Government of the United States for its own use, it is believed that Governments participating in COCOM may also find it useful. Accordingly, two copies of the index are being made available to each Delegation: one for the convenience of the Delegation and the second for transmittal to the PC Capital. Several copies of the index are being made available for the use of the Secretariat.
